# AURA

The AURA collection was made in a modern style and in natural colours. The combination of the wooden artisan oak decor with matt black can harmonise in a variety of interior designs, in the living room, dining room, bedroom or youth room. The furniture is equipped with handleless fronts, and have a simple but also very practical design. The collection consists of TV stands, chests of drawers, hanging shelves and one glass case - the tv stand and glass case can be placed on a plinth or mounted on the wall, which makes it possible to arrange a variety of furniture for the living room.

# NUKA

**NUKA** is a collection for the living room in natural colours. It is characterised by a modern and eye-pleasing design - its charm is determined by the large black legs in the form of a frame, which contrast beautifully with the rest of the furniture and also provide stability. The collection includes chests of drawers, tv stands, glass cases, a table, coffee table and a shelf. The furniture is appreciated for its high ergonomics, capacity and conform of use.

# VIPER

The TV cabinet VIPER exudes stylish design and functionality. Carefully designed details, such as a horizontal, transparent glass and a recess in the middle, divide the cabinet into two parts, giving it a practical use. This solution allows you to display your favorite souvenirs, decorative items or electronic equipment, which at the same time are protected against dust and damage.
