

We are offering you the BIM FURNITURE 2022 catalogue.

BIM was founded in 1994 as a family business. We originate from Biłgoraj, a town located in south-eastern Poland. We manufacture, distribute and export body furniture made of furniture boards, MDF and wood. We have been specialising in production for the e-commerce market for 6 years. We produce original furniture in series as well as according to the designs of designs of our partners. We mainly offer home furniture for living room, bedroom, kitchen, bathroom, children's and youth room.

We focus on:

- quality of the offered products, competitive prices and full customer satisfaction,
- comprehensiveness (from the design of the order to the implementation and delivery),
- openness in relations with partners.

We listen carefully to our customers which, combined with our experience, allows us to realise the most courageous projects.

As a company with many years of experience in exporting, we have a deep knowledge of the furniture market in Poland and beyond. We work with most of the leading Polish manufacturers. We are able to personalise an offer for an individual project and given budget. We carry out both serial and single orders. We have our own warehouse base with the possibility of picking goods also from other factories. We can optimise transport logistics, including the preparation of any necessary documents. We deliver products to more than 30 countries worldwide by road, air, sea and rail. We offer our customers a professional service. We enjoy our work and are open to all new experiences.

Our values are: Passion. Partnership. Loyalty.
