PRODUCTS CATALOG

Furniture inspired by the beauty of nature

We are a family company with 40 years of experience in manufacturing premium furniture and with a huge passion to create inspiring products that give freshness and original interior mood. Wood has always been in our homes, it gives warmth, peace and perseverance. It is artistic, strong and each element is unique, which ensures uniqueness and certainty that such a pattern is not found in any other home in the world.

A passion for wood and modern design have given birth to a series of furniture that we would like to present to you.

Our company is not only ready products, do you have an idea for your dream furniture made of wood? We invite you to contact us, we will look at your project, we will advise you and we will make an individual quote.

They trusted us

Harley-Davidson

„The company exaggerates the standards of performing products ...Trust in Desiq has not been torn down in any way. It does not require explanation how important the resulting sense of security is.“

Mondi Holiday

„ ... In business, nothing matters like keeping deadlines - Desiq fully understands this. By choosing this company, the client will have a guarantee that the work will be finalized in accordance with the contract ... "

IdeaBank

„The company is rated by us as a reliable partner that cares about the high quality of services provided. The company's experience has helped us quickly make the right choices.“
