# Wardrobes

STOLAR wardrobes are the perfect choice for customers who are looking for proven and original solutions. Their trademark is the versatility of use - these can be easily adjusted to interiors of different sizes and styles. A wide range of available patterns and colours shall satisfy both amateurs of traditional designs and those who prefer modern interiors. Apart from the sophisticated design, the highest quality of workmanship and functionality of the modern technologies draw the

customers attention. Branded fittings, solid handles, durable furniture boards make up the furniture, which guarantee trouble-free use for many years. The practical accessories and interior storage systems provide comfortable everyday use. The combination of the above led to creation of branded furniture that shall meet the individual needs of the most demanding customers.

# SEWILLA 203

SEWILLA line is an example of wardrobes with no mirrors on the fronts. Instead we have an interesting combination of colour and graphics - one of the fronts is in lava colour, while on the second one dark lines intersect the Sonoma oak surface, dividing it into six equal elements. SEWILLA 203 is the smaller model in this line.

# UPHOLSTERED FURNITURE

Sofas, corner sofas and sofa sets are an essential piece of furniture in any modern living room. What is the reason for their immense popularity? First of all, they are associated with comfort and cosiness. Not only though. Modern models are a real decorative element of any interior often giving it a distinctive look. STOLAR offers a wide selection of upholstered furniture, which will satisfy even the most demanding tastes. Thanks to the variety of upholstery fabrics, interesting finishes and original design the

furniture meet the most fashionable interior design trends. Apart from their unquestionable aesthetic qualities, the functionality attracts equal attention. High quality filling guarantees comfortable use during the day. Additionally, the sleeping function along with the storage container allows for the sofa or corner sofa to be easily transformed into a comfortable sleeping space for the night rest. It would be hard to imagine a better furniture for blissful relaxation.

# DALLAS LUX

The characteristic and most important features of the DALLAS corner sofa are the decorative stitches on the upholstery. These appear on the seats and backrests, as well as on the fronts and edges of the armrests. The stitching takes the form of two recurring straight lines that create an unexpected visual effect. DALLAS boasts modern and attractive design.
